

Annual gender sensitization action plan

**Women Cell
Model Christian College
Kohima**

Plan of action (2017-2018)

- To organize the **International Women's Day** with an outlook towards spreading the message of strength and dignity.
- To encourage students to be productive and creative.
- To encourage active participation of students at all times.

Plan of action (2018-2019)

- To organize International Women's Day with an outlook towards spreading the message of strength and dignity.
- To encourage students to be productive and creative.
- To encourage active participation of students at all times.
- To help students enhance their abilities in writing and to also instill in them the spirit of competition.
- To cultivate the act of giving through direct or indirect participation.

Plan of action (2019-2020)

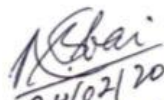

- To sensitize students regarding physical health and hygiene.
- To celebrate the **International Women's Day** based on the theme "I am generation equality: Realizing Women's Rights".

Plan of action (2020-2021)

- To celebrate the **International Women's Day** with the rest of the world.
- To spread positive energy in the midst of the pandemic and to keep the active and lively.
- To make students' participation the ultimate priority.

Plan of action (2021-2022)

- To celebrate the **International Women's Day** with an aim to promote women as agents of change to the society and the world at large.
- To promote girls/women of MCC by allowing them a platform for active participation, for which a Women's Volleyball team will be formed. This team of players will represent the women of MCC.
- To organize a volleyball match to introduce the team to the college.
- To encourage students to excel in studies and inculcate the culture of hard work by felicitating 2 girls (1 from Arts and Science streams) with the highest SGPA and a good college record, a sum of Rs. 1000/- each at the time of graduation.
