Date: 17-10-19

Subject: Request to conduct orientation session on Menstrual Hygiene Management and energy efficient approaches

Dear Sir/Madam,

As part of adolescents' life skill development, FPA India, Nagaland Branch had been conducting educational sessions with students at schools/ colleges and communities in the recent years. And through the course of interacting with students, it has been strongly observed that many young people are often misinformed and misguided at this vulnerable stage. Apparently, it has been realized that a rights-based approach according to age and-gender specific can greatly equip young people with the knowledge, skills, attitudes and values they need to determine for informed life choices.

We, therefore seek to have meaningful sessions with your students to provide relevant information regarding menstrual issues and menstrual hygiene management. It is our sincere hope and belief that, these educational sessions shall enhance the students with more knowledge and also support to break the culture of silence that prevents young girls to talk openly about menstrual hygiene management.

We eagerly anticipate your positive response and look forward to your active cooperation.

Thanking you in anticipation.

Sincerely yours,

(Akangkokia Namo)
