

## FACULTY AND LEADERSHIP WORKSHOP

From February 5th to 7th, 2025, two participants, Dr. Luke Rymbai, Principal, and Ms. Kekhrieneinu, Asst. Professor, Department of Sociology, Model Christian College, attended the workshop conducted by United Board for Christian Higher Education in Asia in collaboration with St. Anthony's College, Shillong, on the topic "Leadership 360" for administrators and "Faculty As Whole Person Educators" for teaching faculties. The workshop was held at Don Bosco Siloam Centre, Meghalaya, India, an extension of St. Anthony's College, Shillong. It was attended by participants from 7 Northeastern States.

The workshop conducted sessions on much needed topics and issues in education, some few of which are whole person education, use of AI in learning process, student-teacher relations, service learning, leadership development, strategic learning, institutional management, team building and collaboration, and so on. The sessions were delivered by 7 expert resource persons in the field of education, technology integration in classrooms, pedagogical strategies, management and leadership skills.

Attending the workshop was an enriching experience that provided valuable insights into modern teaching methodologies, technological advancement, strategic management and quality leadership. It also gave an opportunity to link with teaching faculties and leaders from diverse backgrounds to broaden out perspectives.
