Department of History, Model Christian College

Date: 20th September 2025

The Department of History, Model Christian College, successfully organized its Department Academic Activity Day (DAAD) on 20th September 2025. With the theme "Historical extravaganza", the program was conducted with the aim of encouraging academic engagement, creativity, and teamwork among the students.

The activity day began with a short informal inaugural program, which was chaired by Vekutho Puro of B.A. 4th Semester. The program commenced with an opening prayer led by Thangpila Sangtam, seeking blessings for the success of the day's events.

One of the highlights of the program was a Cosplay on Historical Figures competition which was judged by Dr. Mhabemo Odyuo, Vice Principal, Model Christian College. Students enthusiastically participated by dressing up as various historical personalities. Vekutho Puro won the first prize for his impressive portrayal and was awarded a cash prize of RS. 500. The second position was secured by Mandalu Karang of B.A. 1st Semester. The event added excitement and brought history to life through creative representation.

A special song was presented by Tejosenu Hibo of B.A. 1st Semester, which added a cultural and entertaining element to the program.

Another important academic activity was the Stone Making Competition, where students were divided into groups. The participants creatively presented different types of stone tools used during the ancient and medieval periods. This activity helped students gain practical knowledge about early human technology and historical development.

Following the academic competitions, various fun games were organized, allowing students to relax and interact in a friendly and informal environment.

The Department Academic Activity Day concluded with a closing prayer by Mandalu Karang, after which a potluck was arranged. The potluck provided an opportunity for students and faculty members to share food and fellowship, marking a joyful end to the day.
